City, State, Zip Edgcomb, Me 04556
Phone 207-633-6921
E-mail AmberTonny@netzer.net

2 Designate up to 3 assistants

1 Richard Tonny
2 John Tonny
3 Christina Tonny

Location (e.g. "Hog Bay, e of Gull Island"):

43° 58.26 N.Lat 69° 34.51 W.Long

3 Indicate the gear you will be using.

- Upweller, or "FLUPSY"
- Shellfish raft
- Predator nets
- Spat collectors
- Tray racks / overwintering cage
- Soft bags
- Lantern net

4 What species will you be raising?

- Blue mussel (*Mytilus edulis*)
- Hard clam (*Mercenaria mercenaria*)
- Hen clam (*Spisula solidissima*)
- Soft shelled clam (*Mya arenaria*)
- Amer. / Eastern oyster (*Crassostrea virginica*)
- European oyster (*Ostrea edulis*)

Only the gear and species identified on this form are allowed for use under this license

5 What is the source of your stock?

Wild Hatchery Name : Muscongus bay aquaculture
Address : P.O. Box 158 Bremen Me 04551
Actual location of supply : Bremen Me 04551

All wild collected stock must come from within the Shellfish Health Zone where your license is located, OR you will need a DMR permit. Clams may only be obtained from a hatchery unless a town has issued a permit to collect wild stock (see Chapter 2.90 B(2) and D).

6 Applicant signature Amber Tonny Date 6/18/08
I have read, understand, and agree to the requirements of DMR regulations chapter 2.90 & 24 and all applicable laws and regulations.
