Dear Members of the Board:

Please accept this letter as my notice of resignation.

I am going to be building a home in the Waterville area and will be commuting from there to work. This will mean I will not be available for the people as needed, and should step aside turning the reins over to the next person who can be in the area.

I would like to thank you to everyone and may the end of September be my last day of work.

Sincerely,

Dabney Lewis
